DEDICATION

Coach Bill Keedy

We proudly dedicate this 1985 Lakeside to head coach Bill Keedy, a man truly deserving of this praise. Since he came to NHS in 1977, he has instilled in us the winning spirit, the desire to be the best. He encourages athletes by pushing them to their limits, always speaking of the Greyhound tradition of being #1. That he is a great motivator is evident since, in the eight seasons he has been head coach, he has won seven conference championships, thirty-eight straight conference games, and one state championship. What better praise could a coach have! Coach Keedy, this Lakeside is for you. We love you.

Coach Dale Counce

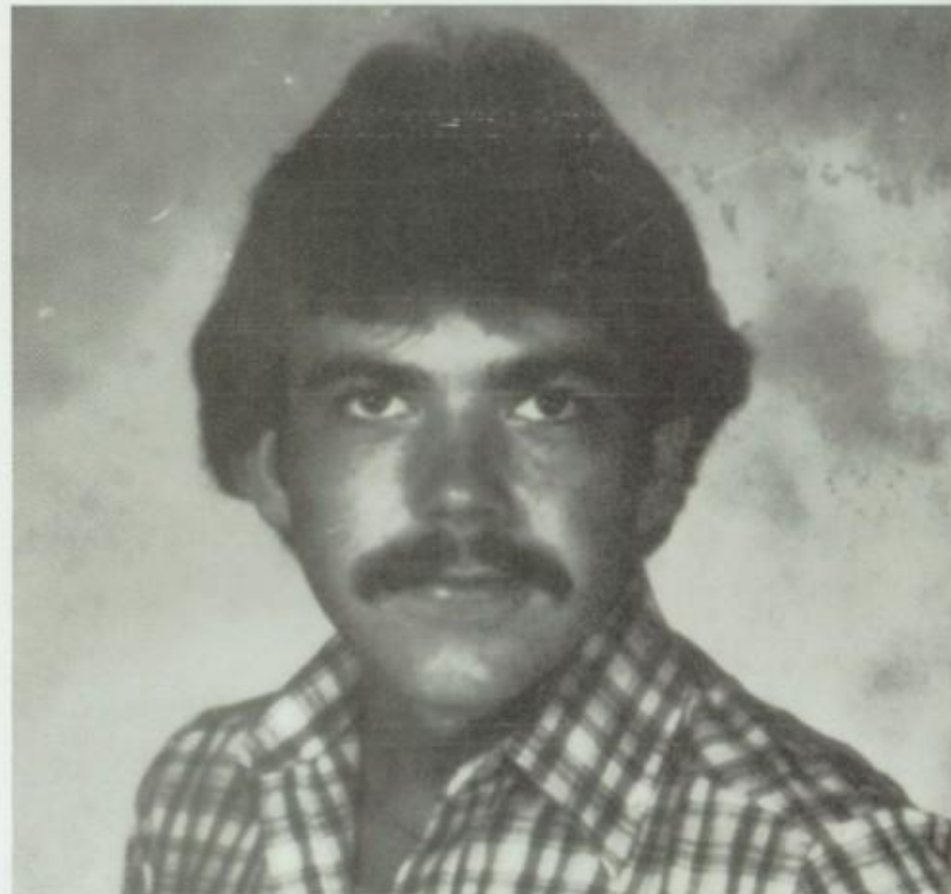

Coach Dale Counce, who played in college for the Arkansas Razorbacks, came to NHS as an assistant coach in 1963 and became head coach in 1966. In 1968 his undefeated Greyhounds were ranked #1 in conference play and sixth in the state. In '69 the Hounds went 10-1 and in 1972 went to the state playoffs, ending the season 11-2. In 1977 he became athletic director. After teaching math for several years, he retired last year. A coach's influence lives on in the boys he has coached. Thank you, Coach Counce. Do I hear a rebuttal?

IN MEMORIAM

Steve Moss

October 4, 1966-May 19, 1984

The life of Steve Moss was tragically ended in a car accident on May 19, 1984. Steve was a former member of the class of '85 and will be deeply missed by all.

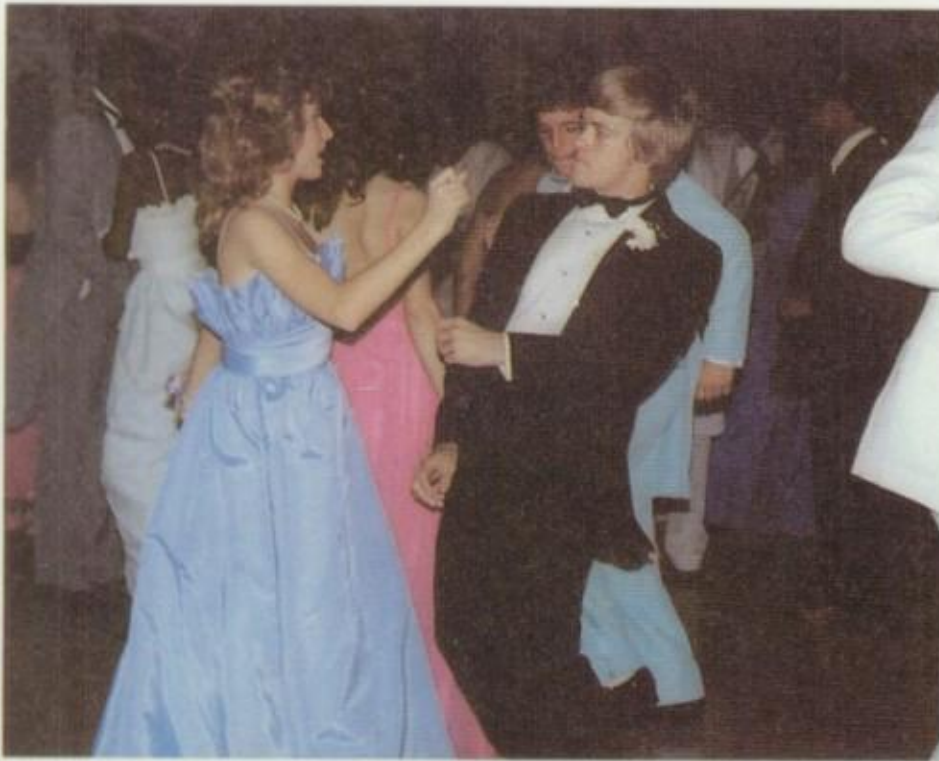

TRIVIAL: (adjective) of little importance or worth; insignificant.

Of course high school is a very important time in our lives, but the things that were most memorable were often trivial. Going to Memphis to catch the latest rock group's concert, cruising the parking lot, listening to Rock 103 instead of studying for that trig test and cheering on the Greyhounds to another conference championship may seem trivial to parents, but to us they were joy and triumph, hope and despair. It is the trivial pursuits that made high school bearable. Though it may not seem so now, these trivial pursuits will be remembered happily as we look back on 1984-85. The purpose of this yearbook is to emphasize the importance of the small events that colored our everyday lives.

Entertainment

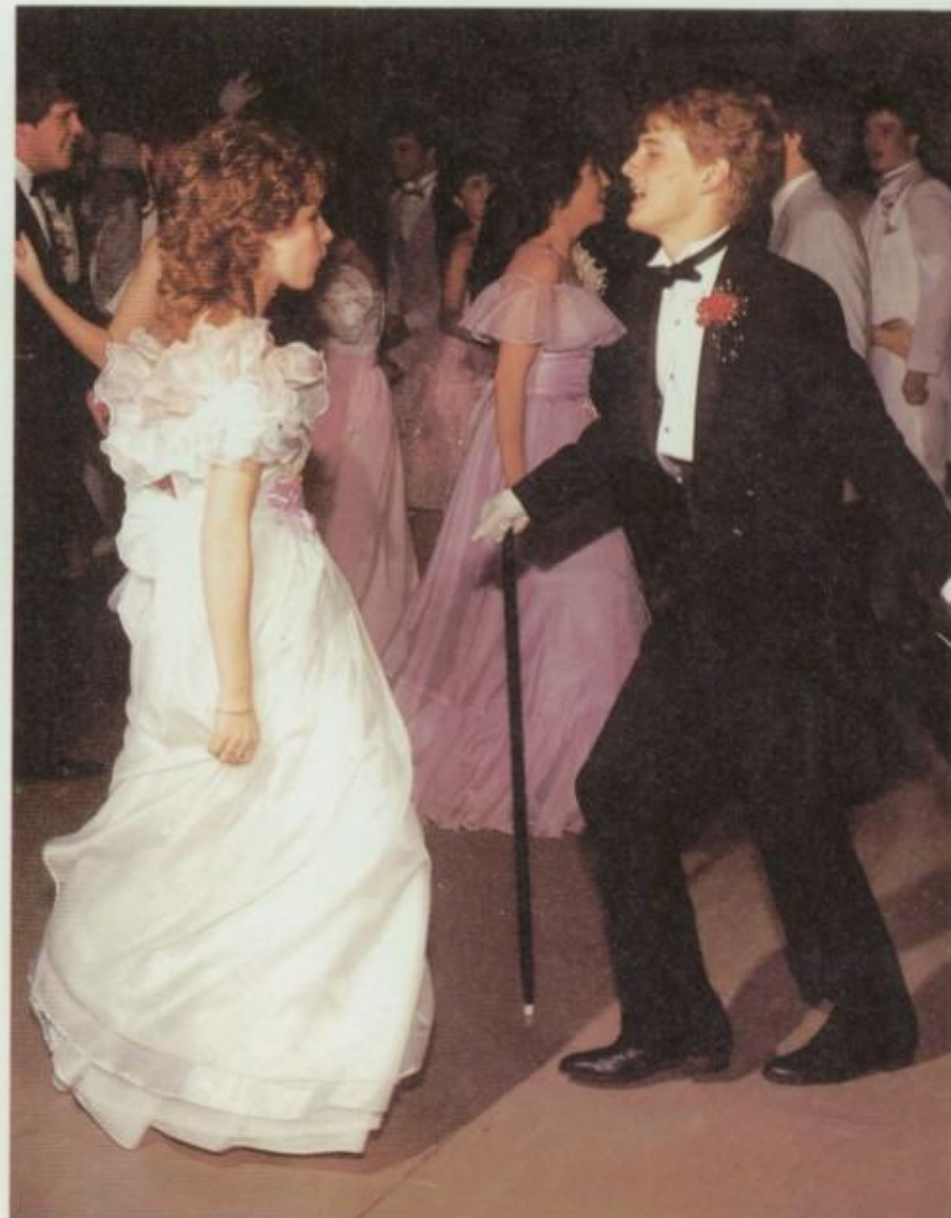

Junior Class of '84 Junior-Senior Prom

Does Alex always dance like that, or is he mad at Kristina?

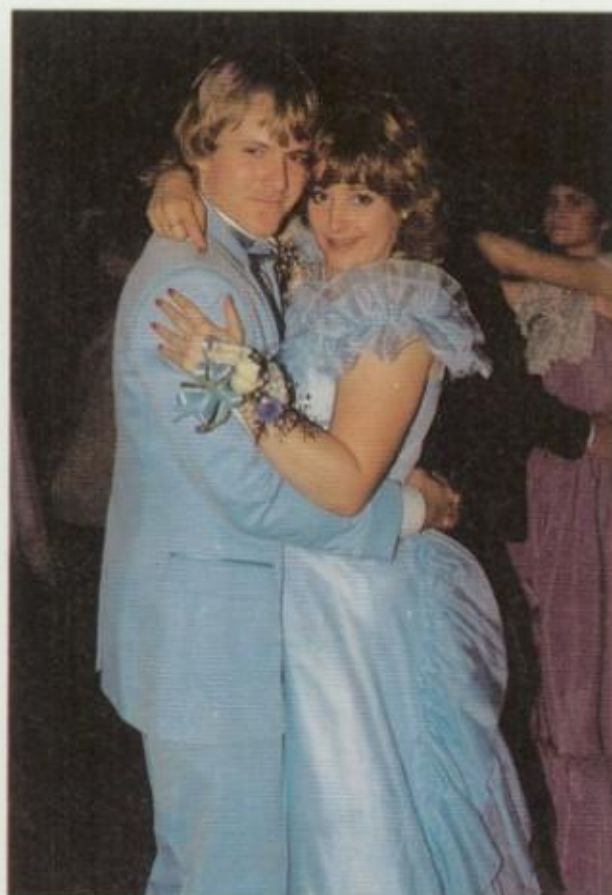

Just Friends?

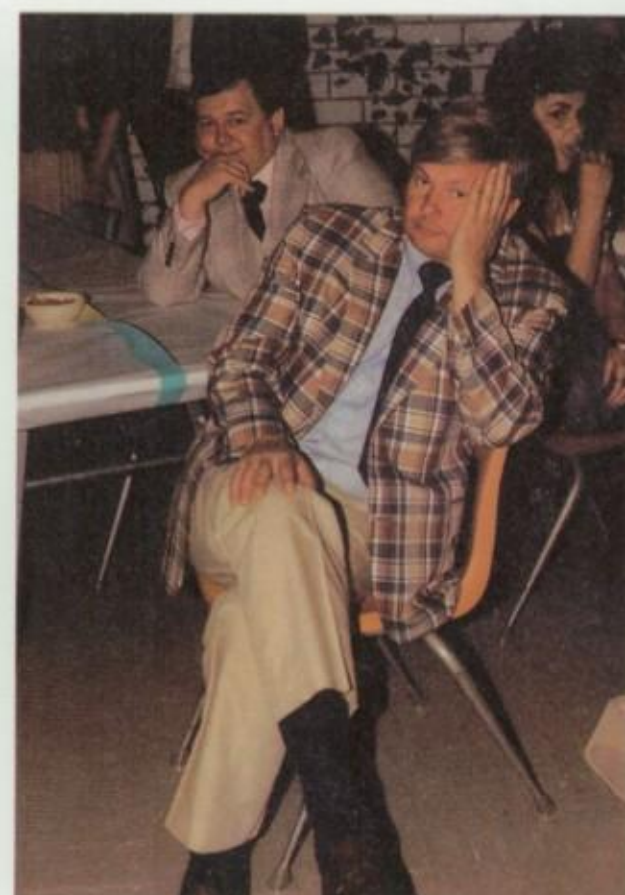

Kiss me, baby!

Albert, should we do this in front of the kids?

"Oh, Bubby, you're such a hunk!"

Coach, does this mean you don't want to dance?

Brings Back After 20 Years

Where are the rest of their clothes?

Let the break-dancing begin.

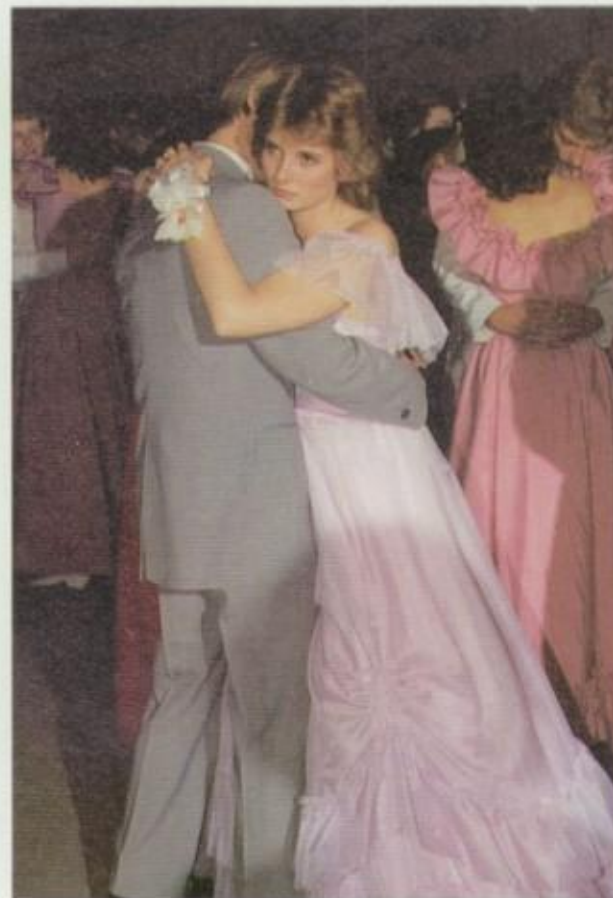

What did they do with their dates?

Why, Joe Pat, why?

Leigh even had special legs made for the prom.

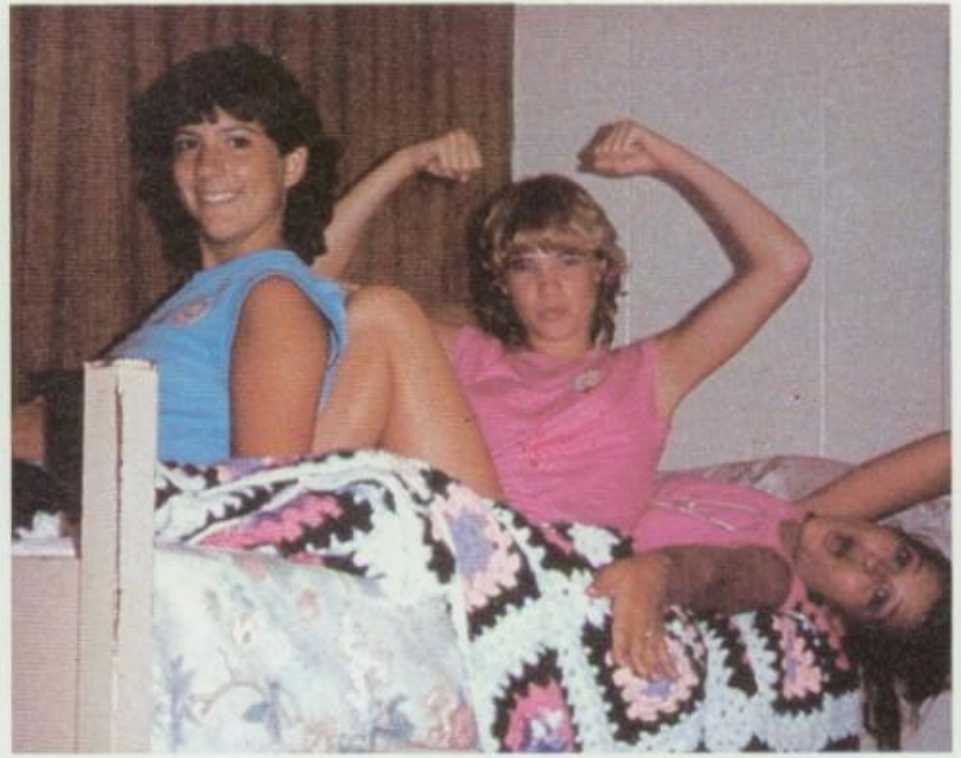

Darrin provides Tracy with some extra support.

Summer, a Time to Pursue the Trivial

H o m e c o m i n g , 84

The 1984 Homecoming was a first in one way, but it was also the continuation of a tradition.

For the first time in over twenty years, Newport High School had a homecoming dance. Some people will remember this event as being an achievement of a goal that many had worked hard to get.

This year's homecoming continued the Greyhounds' winning tradition. Led by head coach Bill Keedy, the Hounds won their seventh straight region championship with this game by defeating Pocahontas 14-0.

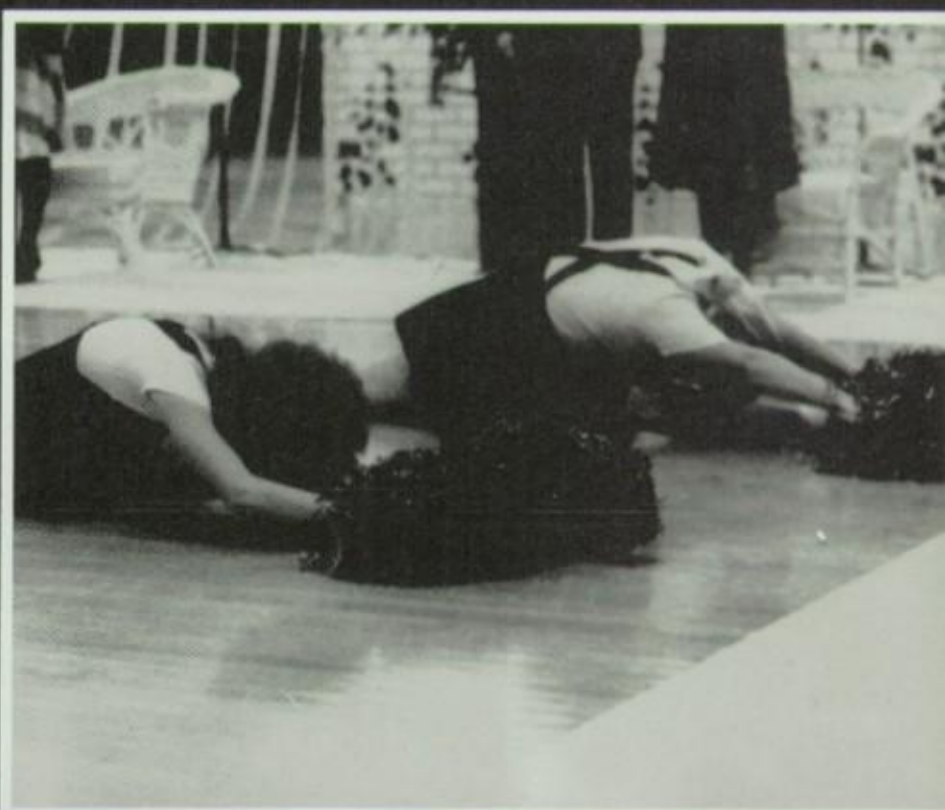

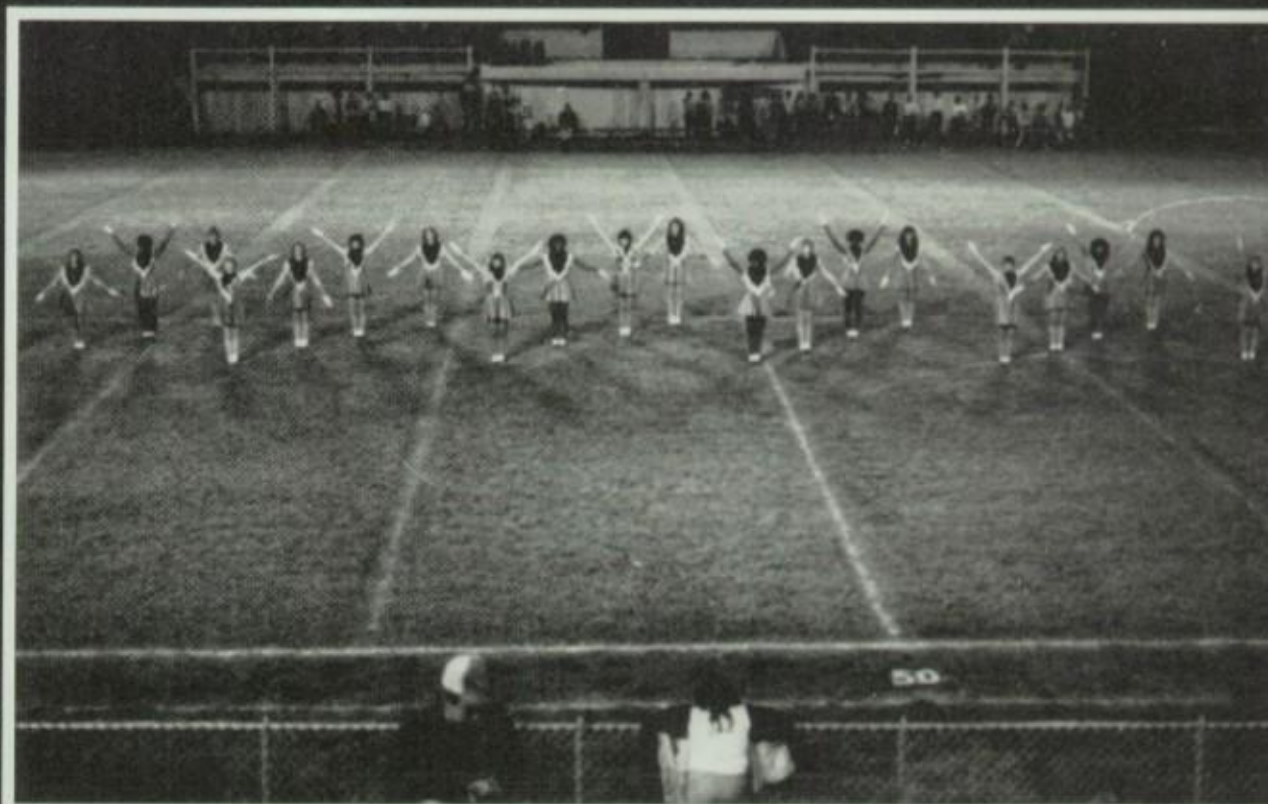

The theme of the assembly was "Winter Wonderland." Inside the gymnasium one found a huge backdrop that pictured children ice skating on a frozen pond in winter. Beautiful icy blue and white streamers and balloons also decorated the "Winter Wonderland." Queen Lisa James and her court were presented in this assembly on October 26, 1984.

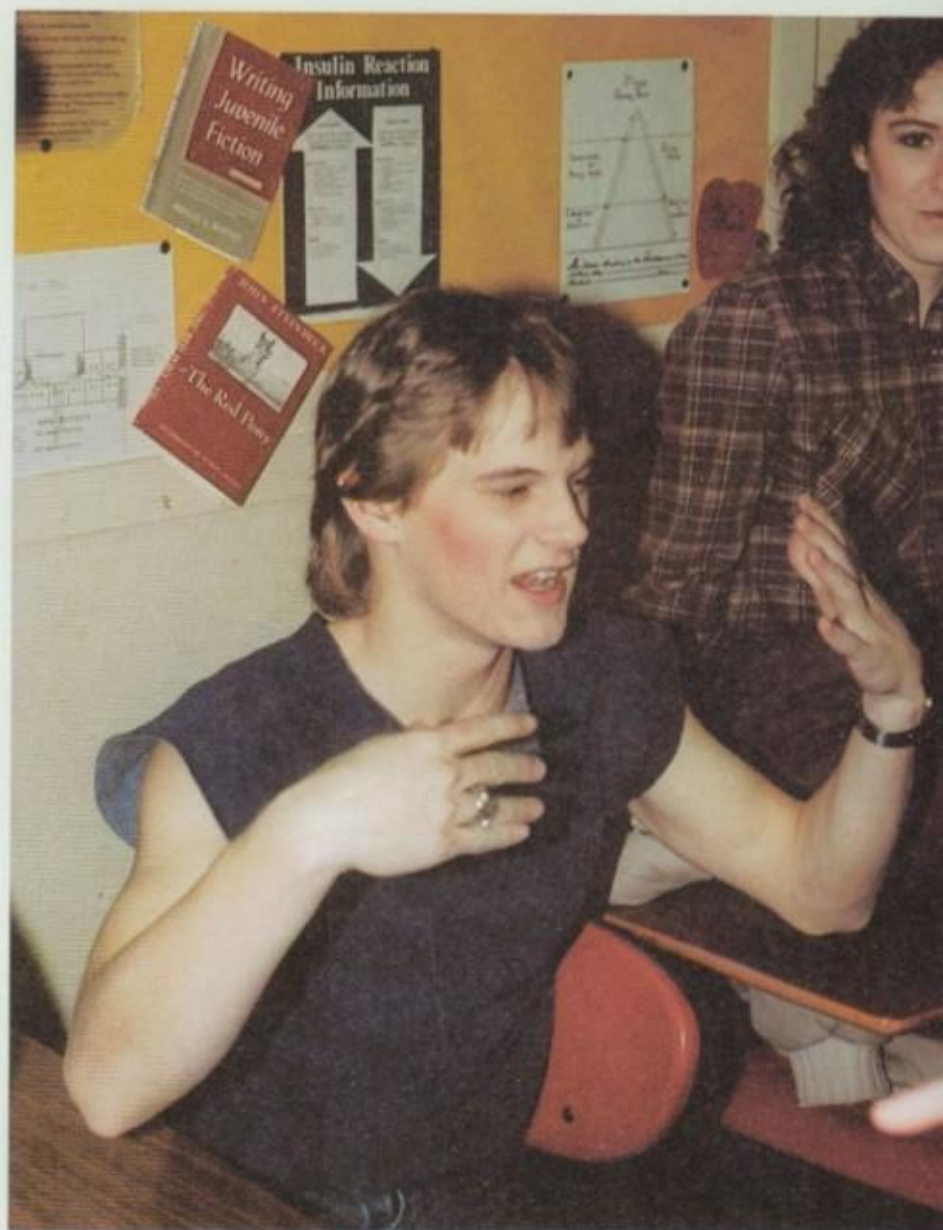

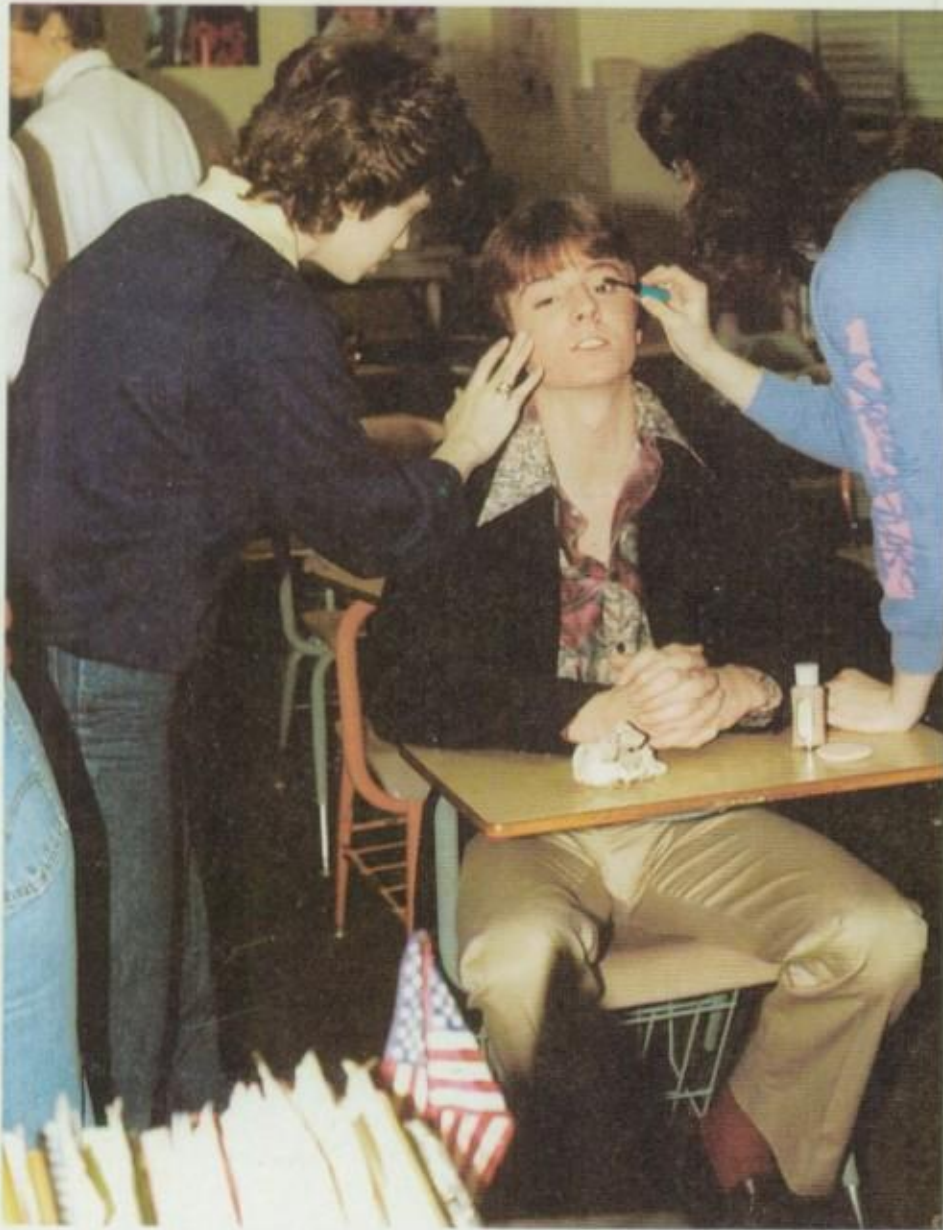

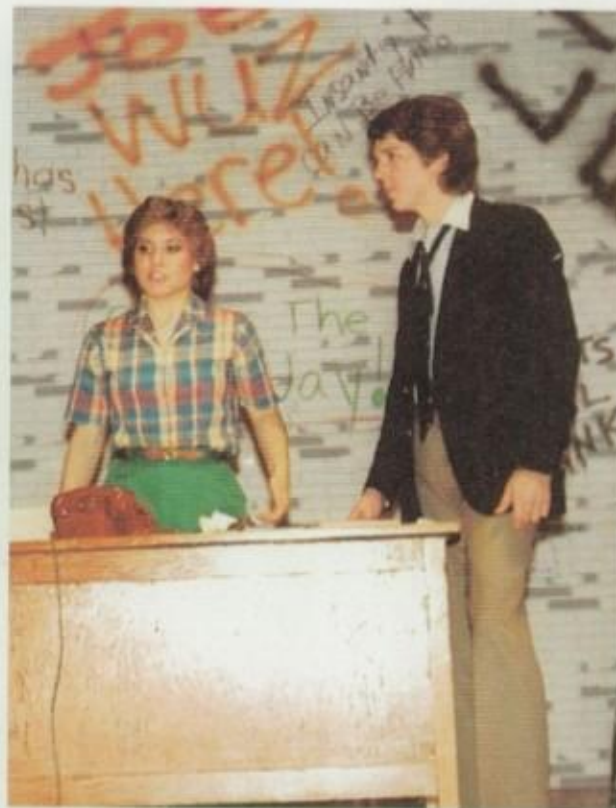

Have you ever wondered what a football game or other school activity would be like without some performing group? A ballgame without the band, cheerleaders, and Whip-pets would be almost lifeless; pep assembly, a bore.

So here is a pictorial salute to the performing groups that keep school alive.

Science and Nature

One of the sciences is biology, obviously a decisive influence in the lives of the young. Just as birds of a feather flock together, NHS students paired off in couples.

Then And Now

Geography

Is it my imagination or is the ground slanted?

Dana rocks the Rice Festival.

Shonda and Donya 'reach the beach.'

Penny hits the streets of New Orleans.

The places we go and the things we do provide a needed escape from the everyday trauma of high school. To get away, we go to concert and dances, take vacations, hit the beach on hot afternoons, and work to make those few extra bucks.

Preparations for some serious partying.

Perfecting this technique takes many hours at the dance studio.

"Yes, there will be no school tomorrow."

Sports and Leisure

As Carl slid into home, summer slid into fall with the Hounds taking the Region 2AAA championship. Then basketball season bounded in with the Hounds finishing 8-2 (conference) and the Lady Hounds 8-13.

Who's Who 1985

Mr. and Mrs. Lakeside

Lisa James and Dorsey Wilmans

Soap operas are indeed one of the greatest trivial pursuits of people today. The Who's Who of 1985 would like to show you their rendition of a great soap opera. Here is the setting and the story of "*The Days After High School*."

It's the social event of the century, the marriage of Lisa James to R. D. Wilmans IV, and all the residents of Lakeside, Arkansas are in attendance (even the not so nice people).

First we have the bride and groom. After graduating from Newport High school, Dorsey took over his dad's farm, and, through his shrewd business manner, increased its size to the area of Arkansas. Shortly after this feat, Dorsey presented Lisa with a five carat engagement ring."

Most Dependable: Connie Landrum and Kevin Long

Other members of the wedding party include Connie Landrum and Kevin Long. Unbeknownst to Lisa, Connie and Dorsey had an affair shortly after High School. Their affair ended when Connie fell in love with a famous piano player. Kevin's big secret involves a certain photographer and a certain issue of a magazine (Dec. 1988 — *Playgirl*).

In lakeside there are three classes of people: the rich, the richer, the richest. This last category includes Russell Wagster and Margaret Beard. Russell, the current owner of *Soldier of Fortune* magazine, flew in from Afghanistan just in time to attend the wedding. Together with Margaret, who made fortune in furs and is the slightly embarrassed mom of Alex Miller (whom we meet later), Russell plans to break up this marriage. Actually Russell plans to double-cross Margaret and tell Dorsey of the evil plot.

Most Popular: Russel Wagster and Margaret Beard

Cutest: Hanna Purdy and Paige Young

Also in this elite class are Paige Young and Hanna Purdy. Paige made his fortune when he won the Publisher's Clearing House Sweepstakes. He then invested this money in the first Diner's Club in Lakeside. His loveable companion, Hanna Purdy, who made her money in remakes of old Marilyn Monroe films, never leaves his side and is constantly supporting him.

Moving along to others attending the reception at Paige's Diner Club we find Karen Beard and Duane Poorman. These two won last year's Nobel Science Prize for the creation of a weapon that renders its victims able only to listen to Iron Maiden and sip ginger-ale by the pool, with this weapon Karen and Duane plan to take over the Middle East in hopes of establishing world peace.

Best Students: Duane Poorman and Karen Beard

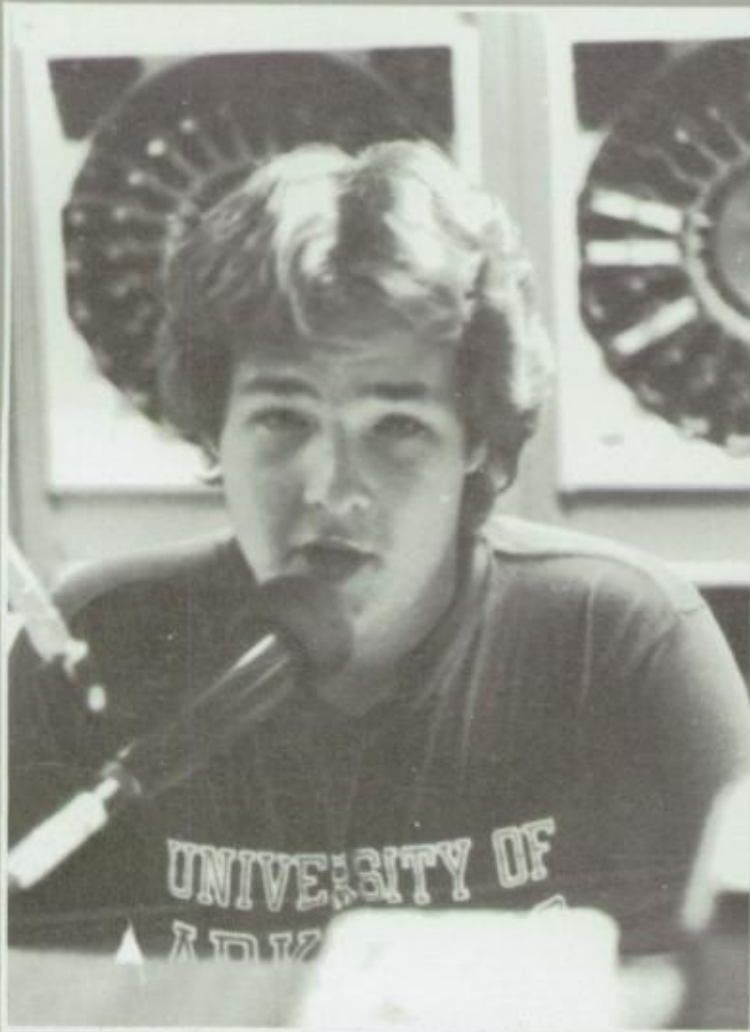

**Most Likely
to be
Remembered:
Marty Curtright
James Dixon
and
Dawn Donnelly**

**Most Handsome and Beautiful: Scotty
Stapleton and Donna Gay**

Little do Duane and Karen know but the plans for their weapon are in jeopardy of being stolen by the Russians. Posing as a band playing at the reception, James Dixon, Dawn Donnelly, and Marty Curtright plan to kidnap Duane and Karen and steal the plans.

However, these Russisan spies have not gone unnoticed. Presently they are under surveillance by C.I.A. intelligence officers, Donna Gay and Scotty Stapleton. Since government pay does not suit Donna and Scotty, both have modeling jobs. Last month Scotty appeared on the cover of *G.Q.*, and Donna has recently been seen on the covers of *Vogue* and *Cosmopolitan*.

**Most Talented:
Chuck Carney
and
Michelle Pratt**

Famous dancer, Michelle Pratt, has also learned of the Russians. She has been trying to contact them in hopes of defecting from the U.S. to Russia. Another entertainer attending the reception is Chuck Carney. Chuck has recorded five albums, four of which are platinum and the fifth is on its way. With his musical money Chuck has financed the first successful NFL football team in Arkansas. Chuck's team, the Elgin (pop. less than 20,000) Equestrians, is currently number one in points allowed per game. Presently Chuck is under law suit by the Polo Company for misuse of registered trademarks.

Not everyone in lakeside is exactly "well-to-do." Take Alex Miller and Paige Johnson for example. Paige and Alex rarely go by the "social standards" and have attended this first class affair in rather relaxed attire (as the picture shows). For ten consecutive years Paige has tried out for the Dallas Cowboy cheerleaders, but is now the sole cheerleader for the Elgin Equestrians and using the pseudonym of "Trixie." Alex, a trainer for the Elgin Equestrians, is rumored to be good friends with John Delorean.

**Most Versatile:
Paige Johnson
and
Alex Miller**

Wittiest: John Burgess and Kasey Jackson

Two more people in the "just rich class" are Kasey Jackson and John Burgess. John, host of the television game show *Know Your Anatomy*, is good friends with Kasey, who is shown talking on the phone to Joan Rivers, and discussing who has the least cleavage.

Among the professionals at the reception are Dr. Phillip Gullic and lawyer-type Beth Hutchinson. Phillip is so obsessed with pizza that at the Class of '85 ten year reunion he got carried away and surgically attached a Dominoe's pizza hat to Scott Balch. Beth is currently represening Scott in his malpractice suit against Phillip.

Most Likely to Succeed: Phillip Gullic and Beth Hutchinson

Best Dressed: Troy Hayes and Tawandra McLeod

Fashion is definitely very important in Lakeside; and when the question of appropriate dress is raised, Tawandra McLeod and Troy Hayes will provide an answer. Tawandra and Troy own the largest boutique in Lakeside and are involved with each other. However, Troy does not know that Tawandra is also meeting Senator Jerry Scott for political satisfaction.

As in any community, Lakeside is riddled with scandal. The three people responsible for exposing many wrong-doings are Leigh Graham, Scott Balch, and Sherri Brown who are reporters for the weekly publication of questionable integrity, the *National Intruder*. After the Dominoe's cap was attached, Scott began to deliver pizzas from midnight to 4:00 a.m. Sherri and Leigh are about to publish their discovery of the affair between Senator Scott and Tawandra.

Most Likeable: Sherri Brown, Scott Balch, and Leigh Graham

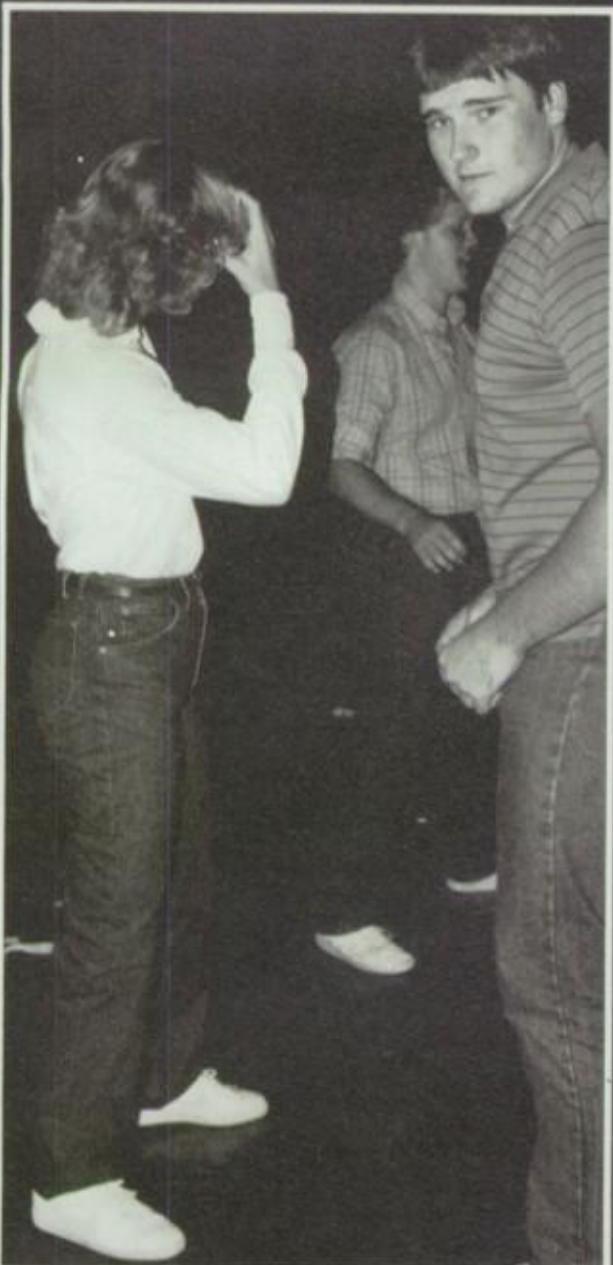

Friendliest: Jerry Scott and Sonya Lackey

Senator Scott, on the other hand, is using the reception as a meeting place where he will receive "campaign funds" from Paige Young to bribe the two female reporters. Attending the reception with Senator Scott is Senator Sonya Lackey. At this time Sonya is engaged to Olympic gold medalist Russell Lane, who's gold medal was questioned when he was discovered at a Holiday Inn with a female Olympic judge. Russell's counterpart, Olympic gold medalist Melodie Joice is now the center for the Elgin Equestrians.

Now the reception is breaking up and all the residents of Lakeside are going home to watch their favorite soap operas.

Most Athletic: Russell Lane and Melodie Joice

From the work and sweat of two-a-days . . .

and the first victory at Marion . . .

the Greyhounds earned the conference championship.

Eat my dust.

Dondie can throw, too

"Tackle me, I dare you."

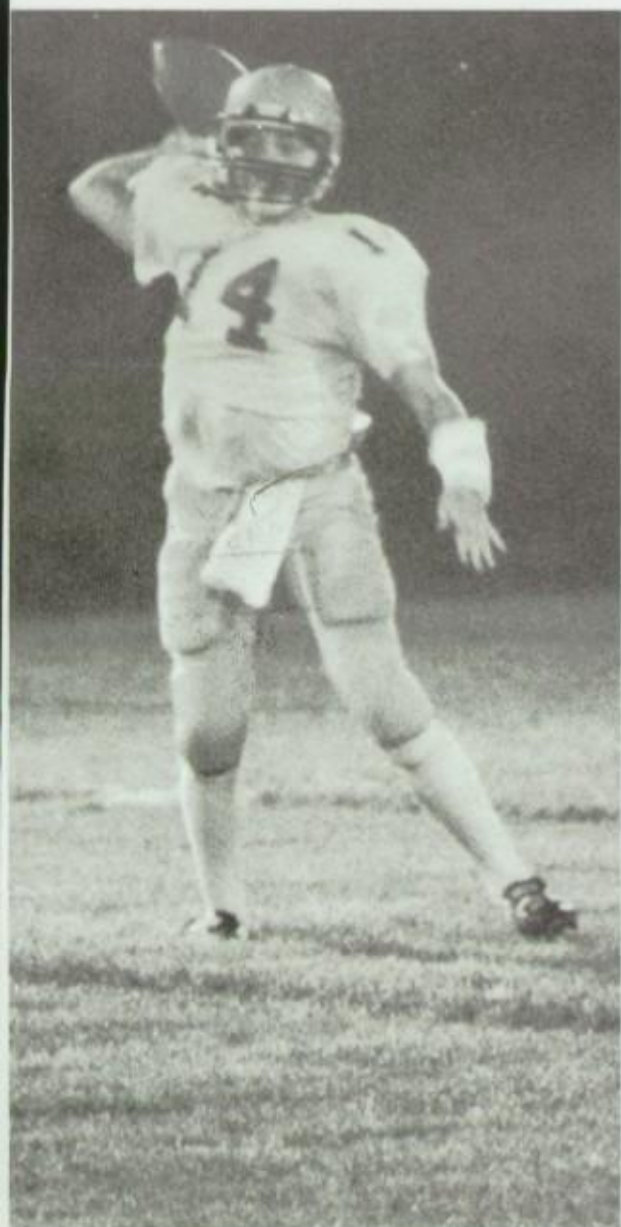

Can you believe that catch?

Dixon snags another pass

Greyhounds. "Awesome!"

Lane fires another touchdown.

Check out that pass protection.

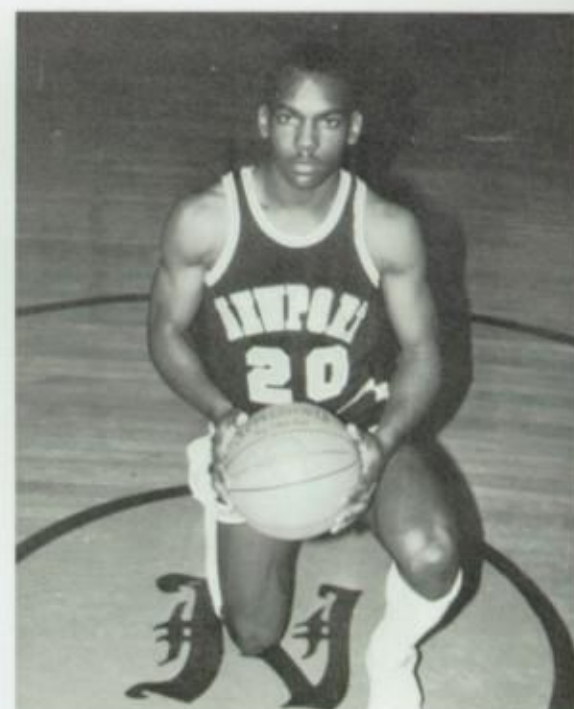

Bailey looks for a block.

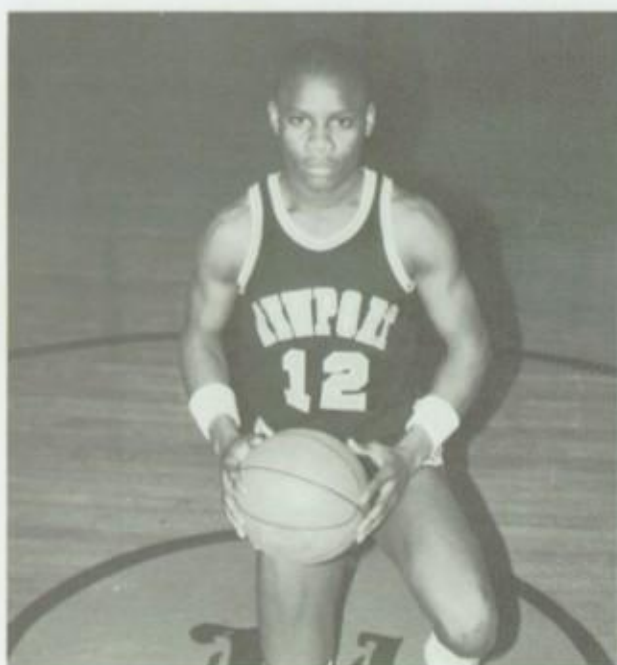

Lee charges for a gain.

The Student Council is an organization elected by the student body that serves as a link between the students and the administration. Its job is to represent and serve the student body.

The student council started the year off with the school orientation and revived the homecoming dance. This year the council placed a Christmas tree in the cafeteria and held a canned goods drive which went to aid the needy at Christmas. Other activities planned were the Valentine carnation sales, a Sadie Hawkins dance, and an annual signing reception. The council also sold school supplies which enabled the student body to purchase school supplies at school at a discount price.

The National Honor Society is an organization designed to promote leadership, create enthusiasm for scholarships and develop character in high school students.

Membership in National Honor Society is an honor. Students are selected on the basis of outstanding scholarship, character, leadership, and service. At Newport High School students must maintain a 3. grade-point for five semesters to be eligible for membership.

The National Honor Society supported a family at Christmas as one of their service projects for the year. Members collected food, clothes, and toys and delivered them to the family several days before Christmas.

The National Honor Society is well-named, for it is indeed an honor to be a member.

You have given me some good advice about you know who. And you've helped me work out problems with him. I really appreciate all the times you have just listened. I had him, but lost him, + I will get him back. It will take time, + patience like you always said. But I think it'll be worth it! He could be worth it if he'd ever change, even the slightest bit would help. But anyways — you're a real sweet girl! Make sure we get together this summer. Thanks for keeping my secrets to yourself. I know I can trust you, at least! Call me if you ever need anything!

I've only known you for this one year, but knowing you has made it the best year of my life. I just want to thank you for that. We've had some great times this year like the Prom, it was great it was a blast! We've also had a few killers out at my house too! Then an airplane trip that was the most fun for me and I hope it was for you. I think (this is off subject) that you are the best looking, friendliest, and loving person in this school. No matter where you go to school I'll love you. I hope we have many more

Beth,

I'm really glad we became good friends this year. Remember when we were in Miss Jackson County, wasn't it fun. We've really done some crazy things this year, but I had fun doing them. We're going to have to do something really crazy in S.H before this year is over, we want Mr. Eicken to remember us. This summer we need to get together and go camping, swimming, chasing men, etc. Well, I guess I'll say Bye Bye for now. Have a great summer.

Yours always,

Shelia Connolly

Great times this summer! When I get my car well go cruise Little Rock, alright! Shit! turn to Page 173. For some more really sweet talk.
